**Annalise Sullivan**, a gifted energy worker from the Vancouver area, will assist me during the 4 group energy sessions. Annalise brings her own wonderful bodywork modalities into the group session. This offers you the opportunity to experience the combined creative energies of the feminine and masculine; the ultimate inner merging of the Yin and Yang vibrations connecting your Soul and sacred body.

**Joseph Mina** is a Master Intuitive Healer, Teacher, Bodyworker, and Professional Astrologer. In his life work, Joseph offers an innovative and modern approach to the ancient mysteries of energy healing bodywork and astrology. Since 1992, he has specialized in Healing Arts sessions, Consultations & Classes that are evolutionary, revolutionary and life-changing. Joseph resides on the Kona coast of Big Island, Hawaii

**Annalise Sullivan** is an intuitive healer, dancer and tree enthusiast. She is passionate about healing the Earth and the hearts that gracefully walk upon her. Annalise's modality of healing fuses together ancient practices into a peaceful and uplifting modern experience of soul integration. Allow yourself to be as you are, and that will set you free.
